

Goanny Internship And Training Certification Program

"Learn. Build and Grow with Goanny."

Why This Program?

There are thousands of students and job seekers, but very few are industry-ready

Companies demand skills, not just degrees

Fresher's often lack hands-on experience and communication confidence

We're changing the game by bridging this gap!

Today's job market is highly competitive — having a degree isn't enough. Most fresher's lack practical skills and confidence in communication, which creates a barrier to employment. This program bridges that gap and turns students into industry-ready professionals.

What We Offer?

**3-Month
Structured
Program**

**Real-Time
Industry
Projects**

**Daily
Mentorship &
Monitoring**

**Internship
Certificate
from Goanny**

**Daily 1-Hour
Personality &
Communicati
on Training**

**Affordable
Monthly
Investment**

We provide hands-on internship experience, soft skills training, and real project exposure in a supportive learning environment. Our program includes technical development, personality grooming, and certified recognition — all in one package.

Internship + Training Structure

Month	Focus	Key Activities
Month 1	Foundation & Tools	Domain learning, tools setup, theory sessions
Month 2	Project Execution	Live projects, assignments, review cycles
Month 3	Simulation & Review	Final project, soft skills, feedback, review

🕒 1-hour **Personality Development & English Communication** session (Mon–Fri)

Our 3-month program is a balanced mix of technical training, real-time project work, and soft skills development. Each month is designed to build upon the previous one — starting with fundamentals, followed by guided project work, and ending with independent performance and mock interviews.

Daily sessions include 2–3 hours of technical learning and 1 hour of personality and English communication training.

Skills You Will Learn

Domain-Specific Tech Skills (as per stream)

Project Management Tools

English Communication

Professional Behaviour

**Soft Skills &
Personality Growth**

Through this program, you'll gain in-demand technical skills like coding, debugging, UI/UX design, testing, and digital marketing tools — based on your chosen track.

Alongside, you'll develop soft skills such as spoken English, confidence building, presentation skills, teamwork, and professional communication. Together, these skills will prepare you for real-world challenges and job interviews.

What You'll Gain

By the end of this 3-month program, you'll have hands-on project experience, improved communication and personality, and a solid understanding of industry practices. You'll walk away with a professional internship certificate, boosted confidence, and skills that make you job-ready. This program is designed to turn your learning into real career growth.

Who Can Apply?

Students in final year

Fresh Graduates

People looking to change careers

Job Seekers needing real-world experience

Candidates wanting to improve English & presentation skills

Whether you're a student, job seeker, or someone looking to upskill, this program is designed for you. No matter your background, if you're ready to learn and grow, this opportunity is yours to grab.

Fees & Duration

Duration: 3 Months

Total Fees: ₹30,000

Payment: ₹10,000 per month

Certificate: Awarded after successful completion

The total program cost is ₹30,000, payable in 3 monthly installments of ₹10,000. It's a small investment toward a big leap in your career — with flexible payment options available.
